

# DR<sup>®</sup> LEAF & LAWN VACUUM

## Extra Hose Kit# 35162

These instructions are for installation of the Extra Hose Kit. This Extra Hose Kit is needed if the Hose provided with the Leaf and Lawn Vacuum is not long enough for your mower. Please keep these instructions with your Safety and Operating Instructions manual for future reference.

### **! WARNING**

Before performing this kit installation, stop the engine, wait five minutes to allow all parts to cool. Disconnect the spark plug wire, keeping it away from the spark plug. Disconnect the Battery Terminals (Electric start only).

#### Tools needed:

- 5/16" Wrench or Flat Head Screwdriver
- Wire Cutters
- Knife

**Note:** Your Leaf and Lawn Vacuum must be attached to the mower and turned fully to the left to perform this Kit installation (**Figure 1**).

1. Loosen the Cuff from the Impeller Housing Hose using a 5/16" Wrench or Flat Head Screwdriver (**Figure 2**).
2. Place the Cuff onto the end of the Deck Adapter.
3. Loosen the Hose Clamp on the Coupling and insert the Extra Hose Kit Coupling into the end of the Impeller Hose (**Figure 3**).
4. Make sure the Hose Clamp and Hose end are beyond the Rivet in the end of the Coupling and tighten the Clamp with a 5/16" Wrench or Flat Head Screwdriver very tightly.
5. Position the end of the Extra Hose next to the Cuff on the Deck Adapter (**Figure 4**).
6. Mark the Hose Rib that lines up just beyond the Rib in the Cuff.

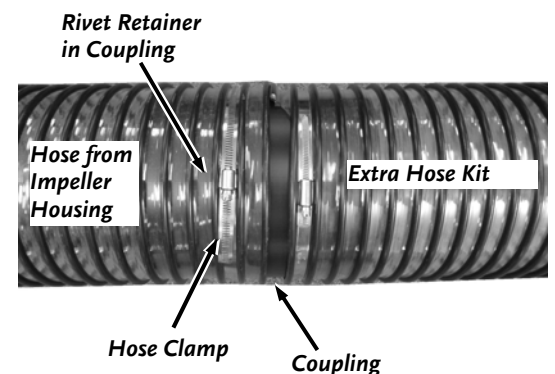

Figure 3

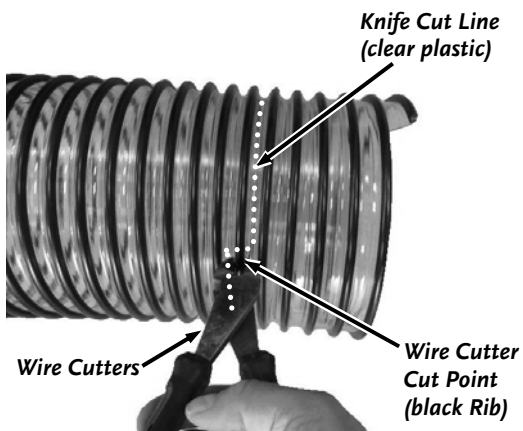

Figure 5

7. Cut the Hose to the length required using Wire Cutters to cut the black plastic spiral and then cut the clear Hose with the razor knife (**Figure 5**).

**Note:** Make sure you trace the area to cut around the Hose first to ensure you will cut in the proper direction to end up on either side of the cut spiral.

8. Secure the end of the Extended Hose Kit to the Cuff with the Hose Clamp using a 5/16" Wrench or Flat Head Screwdriver (**Figure 6**).
9. Tighten the Thumb Screw Clamp of the Cuff to secure the Cuff to the Deck Adapter.

Refer to your DR Leaf and Lawn Vacuum Safety and Operation Instructions manual for detailed hookup and operation of your machine.
